WHAT OUR STUDENTS (Y7-13) SAY ABOUT STUDYING A LANGUAGE

“My favourite thing is learning a language I know I will use on holiday.”

“My favourite thing about learning a language is the games we play to learn vocab.”

“I like learning about the different cultures & traditions.”

“I like being able to get up in lessons, interact and do games.”

“I like the idea of speaking a new language and being able to interact with different people.”

“I like that it lets me see what other countries are like and one day I could go there.”

“I like that I can use the things I learn in the classroom in the real world.”

“the games make new language fun & easier to remember.”

“I like knowing that one day I could be fluent in another language.”

"I love being able to carry out a short conversation in another language and I think its a brilliant skill to have."

"Whether you'll need to know French for your future career or not, its just a fun subject to study at A-Level."

"A-Level French was the best choice I ever made, its genuinely the lesson I look forward to the most."

Doing a language at A level will really stand out on your CV if you want to impress universities and employers.

"Studying a language at A-Level has opened my mind to a whole new way of thinking and broadened my outlook on the world."

"We don't just learn vocabulary, we also look into life in France and French speaking countries so its good to know what's going on in the world."
