BVL Opportunities for students considering a career in Law

BVL is a ten year-old charity which organises opportunities for sixth formers in state schools in order to improve social mobility in the legal profession. Take a look at their presentation to find out more about their work.

Model Law Commission

The Model Law Commission is a three-month long project that provides A-Level students with the chance to simulate the work of the Law Commission. Students are split into four groups, each tasked with the reform of one of the following areas of law: (1) Family, Trusts or Land Law; (2) Criminal Law; (3) Commercial and Common Law; and (4) Public Law.

From October to December, students undertake a five-stage process: research, formulating recommendations, consulting with their peers, reporting on their proposals and devising their legislation. Students will discuss law reform ideas with each other, their Group Leaders and legal professionals. In late November, individuals from the Law Commission will give a presentation to students, and advise on the difficulties in reforming the law and how to write a law reform report. The project concludes with a final event in which students make presentations to an audience of MPs, legal professionals and journalists in Parliament in December.

Students must be 16 or older and attending a state school. Apply here: https://bvl-law.typeform.com/to/knh8DAGS

Aqeel H Noorali Essay Competition

In partnership with 9 Gough Chambers, BVL runs a legal essay writing competition in memory of barrister, Aqeel H Noorali. The top prize is £1,000 and a mini-pupillage (ie, work experience in a barristers' chambers), and there are also cash prizes for runners up.

Students must make an 800-1200 word argument agreeing or disagreeing with the following statement: “Considering the backlog of criminal cases is causing lengthy delays in criminal proceedings, the Government should pass legislation to reduce the size of juries to expedite the process.”

Students must be 16 or older and attending a state school. Apply here: https://bvl-law.typeform.com/to/v9XLbDG4.

PRS for Music Event and Simkins LLP Event

This event presents students with a chance to learn about the fascinating field of music and entertainment law.

Students will attend: a workshop on copyright law with Nick Eziefula (Partner at Simkins LLP); talks from Amy Urpi (Head of Legal at PRS for Music), Jess Welch (Associate at Simkins LLP) and Jonathan Aitken (General Counsel at PRS for Music); and speed networking sessions with the lawyers, where they will be able to ask them questions about their careers and how to get into music and entertainment law.

Students must be 16 or older and attending a state school. Apply here: https://bvl-law.typeform.com/to/pWxMAReg.
